These look fine to me.

Jason/Jane – we in ERO do not have any information about the Feb 12 meeting mentioned in Jane's message below, so we'll defer to you to add that before you send it to Jared.

Thanks –

Kathy, I was unclear on the timing or process for these exactly.

I edited the 2nd bullet below to add a bit of detail. I think these are pretty spot-on as a whole.

I believe that once they have undergone our review they are ready to go up the chain. I have not incorporated what Jane asked for below, as I don't have the specific details of the planned 2/12 meeting nor am I in a position to speculate what may come out of that meeting.

Friends - As these TPs were for ERO's edit/concurrence, and I'm a bit out of pocket, it would be helpful if ERO could take this item from here. There's a lot of tasks flying about, and we're all doing our best---let's all try to be sensitive to that and efficient by being more specific on who is going to do what by when. If that means Trina is making work assignments, with SMT members in the loop, that's great. -JB
